<p>A College Medals Committee, appointed by the President, will receive recommendations from post-secondary faculties. Through its Chair, the Committee will make its recommendations, in confidence, to the President along with justification for the awards. It should be noted that recipients would normally be Honours Graduates, but medals may be awarded if other criteria are sufficiently strong.</p> <p>The President will select the medal recipients from the recommendations of the Committee. The names of medalists will remain confidential until announced at the appropriate post-secondary Convocation.</p>
